

Empowering Next-Gen Composites: allnex at China Composites Expo China 2026

RELEASE DATE:

Shanghai, China / Aug 19, 2026

As a global leader in composite resins and gelcoats, allnex offers a comprehensive portfolio of solutions designed to meet the evolving needs of diverse industries, including construction, marine, transportation, sanitary ware, leisure, and corrosion protection.

At this year's expo, allnex will highlight key technical breakthroughs, featuring:

- RAYLOK® UV-Curable Resins
- VIAPAL® High-Performance Gelcoats
- EBECRYL® Acrylates and Methacrylates
- POLYPLEX™ Unsaturated Resin
- ALNOVOL™ Phenolic Resin

Visit our booth to discover our latest material innovations, explore application samples, and connect with our technical experts to discuss how allnex solutions can help advance your performance and sustainability goals.

Innovation is core to who we are at allnex. Working closely with our customers and partners, we continue to develop more durable, efficient, and sustainable solutions to support the evolution of the composites industry.

Join us at **Hall 8.2, Booth 8P15** to experience the next generation of sustainable resin technologies. We look forward to seeing you in Shanghai.
