

PRESS RELEASE

allnex at Paint India 2026: Driving the Future of Coatings

RELEASE DATE:

Frankfurt am Main / February 04, 2026

- Sustainability-driven and eco-friendly coating innovations
- Direct engagement with allnex technical experts
- Expanded manufacturing capacity at the Mahad site, supporting accelerated growth and a more reliable local supply

allnex will showcase its latest high-performance and sustainable coating innovations at Paint India 2026, taking place February 19-21 at the Bombay Exhibition Center, reinforcing its commitment to innovative chemistry for all nex>t generations.

At Hall 4, Booth J5-J6, allnex will showcase a broad portfolio of technologies including industrial coating resins, additives, and composites – designed to accelerate the coating industry's transition toward greener solutions.

This commitment is reinforced by significant local investments. Expanded production capacity at allnex's Mahad site ensures a reliable local supply of sustainable materials, while the newly upgraded Mumbai laboratory accelerates the development of tailored solutions for regional customers.

Throughout the exhibition, allnex technical experts will be available at the booth for detailed discussions on collaborative and sustainable growth.
