

Quality Policy

allnex is committed to being recognized as the leading coating resins company. To achieve this goal, we will be the preferred supplier, bringing value to our customers by providing products and services that consistently meet their requirements and expectations.

We promote a quality culture through understanding the needs of our customers, engagement, transparency, teamwork, continuous improvement, meeting commitments and issue resolution. These actions drive our commitment to both quality and the effectiveness of our business systems.

In every facet of our business, we are dedicated to applying both quality principles and our allnex values.

Quality is our culture and our way of doing business.
