AQUAGUARD® POOL GELCOATS
Product and Colour Guide

Disclaimer: This information appearing in this Document (Details) concerning the product which is the subject of the Document (Product) is either based on present technical knowledge and tested done by Allnex or tests done by, and data supplied from third parties. Since the actual use by you and by others of the Product is beyond the control of Allnex, no warranty or representation, express or implied is made by Allnex regarding the suitability for such use, nor does Allnex accept any liability arising out of the use by you of other products or materials, whether third party or not, that may be referred to in this Document. Allnex recommends that you carry out your own tests as to the suitability of the Product for your purpose, regarding which you accept full responsibility. In addition, if any of the Details appearing in the Document are based upon tests done by and/or data supplied by any third party, Allnex provides no warranties or representations in connection with those Details and you, the customer, waive any right you may have against Allnex in connection with the accuracy, completeness or otherwise of the Details. The information in this Document is not to be considered as absolutely complete or accurate since additional information may be necessary or desirable when particular or exceptional conditions or circumstances exist or because of applicable laws or government regulations affecting use of the Product, Allnex does not provide any warranty or representation to you that the Product does not infringe the intellectual property rights of any third party. All orders accepted shall be subject to the standard conditions of sale of Allnex which are on the back of our invoice. In accepting the Product you, the customer, acknowledge and agree:

a.) The Product is or may be of a hazardous nature and that you, the customer, are responsible for the disposal of the container housing the Product in accordance with the requirements and regulations of the relevant supervising government.

b.) The Product has a limited shelf life and must be stored strictly in accordance with the guidelines and specifications relating to it.

c.) Where the Details relate to Product tested by Allnex, those Details are indicative only, regarding which there may be batch to batch variation.

Allnex gives no warranty or representation as to the applicability for the particular use by you, the customer, of the Product and you the customer shall be responsible for ensuring that the Product is fit for your intended use.

Allnex’s liability for breach of any term, condition, guarantee or warranty (express or implied and concerning the information in this Document or the Product more generally) including any liability for direct or indirect consequential loss (including indirect loss of profits), is limited to the maximum extent permitted by law and, at Allnex’s election, to either replace or repair the goods or guarantee the cost of replacing or repairing the goods, or in the case of services, supplying the services again.

Aquaguard® pool gelcoats have long been the flagship product of our offering to the local and global composite pool markets. This gelcoat technology has over 20 years of proven field history of exceptional chemical and UV resistance, resulting in enduring and vibrant pools that retain colour and service for longer.

Our Aquaguard® pool gelcoats are extremely durable and exhibit outstanding weathering and fade resistance properties. This high performance product comes in three striking cosmetic finishes.

- **Shimmer**, an extremely decorative and reflective range containing stunning jewel highlights.
- **Natural**, a range of traditional, high opacity solid colour gelcoats.
- **Cultured**, a decorative range with stone-like appearance.

### Aquaguard® Shimmer

- Reef Blue
- Sandstone
