15. SEVERABILITY

Any provision of these terms and conditions which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of these terms and conditions or affecting the validity or enforceability of such provision in any other jurisdiction. In such circumstances the parties shall replace any prohibited or unenforceable term or condition with a valid and binding term or condition which achieves the same purpose or purposes as the prohibited or unenforceable provision.
